PENMARA WINES IN RUSSIA

We really are showing our wines in some strange places. Penmara attended the first "Australia Week in Moscow", which was organised by Austrade to help promote Australian goods in this growing market. The event was held to coincide with the 60th Anniversary of "Victory in Europe" day in Russia, where a large number of world leaders were in attendance. We were fortunate enough to have the Governor General of Australia, Major General Michael Jeffery, come to the stand and taste some of our wines. We will keep you updated on how things are progressing in this fascinating market.

— IN MEMORY OF CARLOS —

It is with great sadness that we say goodbye to Carlos Correa, who recently died in a motor cycle accident. Carlos was one of the Directors for our Agent in Toronto, Barrique Wine Imports. Carlos was a great guy who worked very hard on our brand in the Ontario market and he will always be remembered.
