## James Halliday Rates PENMARA WINES

James Halliday is Australia's most respected wine writer and every year he publishes the definitive guide to Australian Wines.

### THE AUSTRALIAN WINE COMPANION 2009

In this year's Guide, Penmara Wines has been upgraded to a four Star producer, up from three and half last year. This is a real credit to the hard work put in by the Five Families of Penmara and our excellent winemaking team headed by John Hordern and David Main... Well done guys!

### PENMARA RESERVE SAUVIGNON BLANC 2007

ORANGE REGION 4.5 Stars RATING 93 ★★★★★☆

An Aromatic, gently tropical bouquet, has the required intensity and thrust of good Sauvignon Blanc to its mix of tropical and more citrusy/minerally fruit.

### PENMARA FIVE FAMILIES RIESLING 2005

ORANGE REGION 4.5 Stars RATING 92 ★★★★★☆

More weight than the '06, partly bottled-developed, partly vintage impact; excellent length thanks to a citrus backbone.

### PENMARA FIVE FAMILIES RIESLING 2006

ORANGE REGION 4 Stars RATING 89 ★★★★★

### PENMARA RESERVE MCP 2006

ORANGE REGION 4 Stars RATING 87 ★★★★★

Extraordinary; as the back label suggests, there are peachy undertones to the bouquet; the palate is juicy here with touches of mint and lemon. Merlot/Cabernet Franc/Petit Verdot.

### PENMARA RESERVE SHIRAZ 2006

ORANGE REGION 4 Stars RATING 87 ★★★★★

### 2006 PENMARA RESERVE CHARDONNAY

David Beauroy – May 24th, 2008 – "Cheap Eats Toronto"

A few releases ago I was extolling the virtues of the Penmara's worthy Shiraz. This Chardonnay confirms that there are other good things going on there. It's pale gold with elegant, clean aromas of melon and citrus, a good dose of balancing acidity and great length. Stock up and enjoy through the summer.

### 2007 PENMARA RESERVE SEMILLON 89 POINTS

Natalie McLean – June 7, 2008

Hunter Valley is one of the finest regions in Australia, if not the world for single variety Semillon. Never oak aged, Penmara's Reserve Semillon displays aromas and flavours of green apple, pear and a remarkable toastiness that many mistakenly think is the result of wood contact. Once you acquire a taste for Australian Semillon, you'll wonder how you ate dinner without it. Lovely lemon goodness over layers of toast. Pair with Seafood dishes.
