2 SILVER MEDALS
AT THE LONDON INTERNATIONAL
WINE CHALLENGE 2006

We are proud to announce that 2 of our wines have picked up Silver Medals at this very prestigious International Wine Show. From over 9,000 wines that were entered from all over the world, only 1,058 wines were awarded Silver medals, so this is a great result for our winemaking team.

NEW DISTRIBUTION CHINA

We have just signed a long term agreement to supply wine for a major Distribution company based in the Guangdong province of South Eastern China. Three containers will be shipped in June in what will be an ongoing concern. China has one of the fastest growing economies with an increasing middle class who are starting to develop a thirst for wine. A lot of wine education and marketing is still required to continue this trend and as part of this process, Penmara will be participating at the Shanghai International Wine & Spirits Fair in July. A great opportunity to showcase our wines and our winery.

TAIWAN - MALAYSIA

We have just reached agreements with 2 new companies to join our family of Distributors.

- Paul Brothers Taiwan Ltd in Taiwan
- Enhance Worldwide Sdn Bhd in Malaysia

Our wines should be available for sale in July and we look forward to working closely with these companies over the coming months and years.

"The nose is varietal, with cut raddish, capsicum herbaceous notes and dusty pungency. The taste is soft and smooth, with a touch of richness. It maintains its essential delicacy and tang, finishing clean and dry. Very well balanced."
